H.J.R. 9 01-21-22 8:45 AM

| 28 | WHEREAS, Article V of the United States Constitution states that: "The Congress, |
|------------|--|
| 29 | on the Application of the Legislatures of two thirds of the several States, shall call a |
| 30 | Convention for proposing Amendments" to the United States Constitution; |
| 31 | WHEREAS, in 1979, the Legislature of the State of Nevada passed an Article V |
| 32 | application for a convention for proposing amendments to the United States Constitution for |
| 33 | the purpose of imposing fiscal restraints upon the federal government; |
| 34 | WHEREAS, the Nevada application stated: |
| 35 | "Whereas, The national debt now amounts to hundreds of billions of dollars and is |
| 36 | increasing enormously each year as federal expenditures grossly exceed federal revenues; and |
| 37 | Whereas, Payment of the increased interest on this ever-expanding debt imposes a |
| 38 | tremendous burden on the taxpayers of this country; and |
| 39 | Whereas, Continuous deficit financing by the Federal Government supports inflationary |
| 40 | conditions which adversely affect the national economy and all Americans, particularly those |
| 41 | persons with fixed or low income; and |
| 42 | Whereas, Constantly increasing use of deficit financing has enabled the Federal |
| 43 | Government to allocate considerable sums to programs which in many instances have proved |
| 14 | to be wasteful and nonbeneficial to the public; and |
| 4 5 | Whereas, Limiting federal expenditures in each fiscal year to revenues available in that |
| 46 | year, except during national emergencies, will result in greater selectivity of federal programs |
| 1 7 | for the benefit of the public; and |
| 48 | Whereas, The annual federal budgets continually reflect the unwillingness or inability |
| 19 | of both the legislative and executive branches of the Federal Government to balance the budget |
| 50 | and demonstrate the necessity for a constitutional restraint up on deficit financing"; |
| 51 | WHEREAS, combined with the Article V applications for a convention of states on any |
| 52 | subject, the Nevada Article V application was the 34th application, constituting 2/3 of all |
| 53 | states, for a convention of states for imposing fiscal restraints on the federal government |
| 54 | toward achieving a balanced federal budget; |
| 55 | WHEREAS, Congress has failed to comply with its constitutional mandate to "call a |
| 56 | Convention for proposing Amendments on the Application of the Legislatures of two thirds |
| 57 | of the several states" upon receipt of the Nevada Article V application published in the |
| 58 | Congressional Record on February 8, 1979; |

WHEREAS, as indicated in the following chart, by the end of 1979 the legislatures of 39 states had made application for an Article V convention for imposing fiscal restraints on the federal government:

WHEREAS, Alexander Hamilton in Federalist 85 stated that "The Congress 'shall call a convention.' Nothing in this particular is left to the discretion of that body";

WHEREAS, from February 8, 1979, when Congress was constitutionally mandated to call a convention of states for the purpose of imposing fiscal restraints on the federal government toward achieving a balanced federal budget, the nation's debt has ballooned from \$830 billion to approximately \$30 trillion while the value of the dollar has declined over 70%;

WHEREAS, the United States Constitution was ratified by Convention Delegates "chosen in each State by the People thereof" and the 21st Amendment, repealing Prohibition, was ratified in 1933 by a vote of the people for YES-pledged Delegates in 38 of 39 state conventions:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah demands that Congress, within 60 calendar days after receiving this resolution, designate a place and a date within 2022 for the nation's first Article V Convention for Proposing Amendments to impose fiscal restraints on the federal government toward achieving a balanced federal budget, based on the 39 unrescinded, continuing resolution Applications published in

the Congressional Record (35) or State laws (4) through 1979.

BE IT FURTHER RESOLVED that the Legislature of the state of Utah implores Congress to stipulate in the call resolution that any proposed amendment be ratified by state conventions to ensure that the people can express their consent in ratifying amendments imposing fiscal restraints on the federal government.

BE IT FURTHER RESOLVED that legal action be undertaken in the name of the Legislature of the state of Utah to compel Congress to call an Article V convention, if Congress fails to do so within 60 calendar days after receiving this resolution.

BE IT FURTHER RESOLVED that the Legislature of the state of Utah alerts their counterparts in the several states of Congress' disdain for the constitutional mandate to call an Article V convention upon the application of two thirds of the States and admonishes them to take such action as will compel the compliance of Congress with the constitutional duty to immediately call a convention of states for proposing amendments to impose fiscal restraints on the federal government toward achieving a balanced federal budget, by naming the time this year and the place for the convention.

BE IT FURTHER RESOLVED that the Legislature of the state of Utah calls upon the Utah congressional delegation to exert their utmost efforts to compel Congress to honor its constitutional duty to immediately call the convention of states for proposing amendments to impose fiscal restraints on the federal government toward achieving a balanced federal budget, by naming this year the date and the place for the convention.

BE IT FURTHER RESOLVED that a copy of this joint resolution be transmitted to the Speaker and Minority Leader of the United States House of Representatives; the President, Majority Leader, and Minority Leader of the United States Senate; all members of Utah's congressional delegation; and the Legislature and attorney general of each of the other states.
